Do TAKE NOTICE,

I, Jacob (James E. THAT MEANS: FOR IT "STILL TO PEND."

This action is based on the attached supporting Declaration, all papers filed and records in this action, evidence accessible for delivery in precedentially anomolous and exigent circumstances described within Claimant's previous pleadings on record) by Claimant's website at [www.bboip.wordpress.com](http://www.bboip.wordpress.com) by link to evidence casefile (webpage), "JCTF vs SACDHA et al" (or at URL: [https://bboip.wordpress.com/jctf-vs-sacdha-etal/](http://bboip.wordpress.com/jctf-vs-sacdha-etal/)); and, actually "JCTF vs. SACPD et al." page @ [https://bboip.wordpress.com/jctf-vs-sacdha-etal/](http://bboip.wordpress.com/jctf-vs-sacdha-etal/), and "JCTF vs. County of Yolo et al." page @ [https://bboip.wordpress.com/jctf-vs-county-of-yolo-yet-al/](http://bboip.wordpress.com/jctf-vs-county-of-yolo-yet-al/);

# DECLARATION IN SUPPORT

Whereas, on 08042021, ALJ ordered:  
"The claim is dismissed."

Whereas, said opinion of ALJ  
communicated as follows:

"SUMMARY You did not appear for  
the hearing on August 02, 2021 .  
Your appeal is dismissed" ;  
"A notice of hearing was sent  
to the last address given to  
State Hearings. The notice  
listed the date and time of the  
hearing. It was not returned in  
the mail" ;  
"You did not ask for a  
postponement before the  
scheduled hearing time. You or  
your authorized representative did  
not attend the scheduled hearing"  
(AbandonmentDecision-  
NonAppearance. SHDN: 14736662).

Whereas, ALJ's averments were  
blatantly, maliciously perjored  
and false mistatements; Claimant,  
in fact did file, and as on  
record, Demand for \*Continuance"  
to adjourn proceedings with fully  
meritorious cause in good faith on

remote location for sceduled phone  
call with intent to orally assert  
the \*continuance at 1000 AM on  
08022021; ALJ defaulted in Gross  
Prejudice; Claimant never received  
scheduled phone call aforesaid at  
phone number: (916) 562-5584 on

Again...

Whereas, ALJ has maliciously defaulted by total Ignorance, violating Due Process and Compulsion Rights, on Claimant's compulsions, and Defendant Agency has Maliciously withheld depriving Claimant's preparation for Oral Statements for deliberation in matter AGAINST THE LAW!

Whereas, ALJ's malicious action aforesaid was conspicuously timed to be reactionarily Prejudicial and Malicious to: Claimant's filed Letter of Demand to Compel Identification Record pursuant to Public Information Act and Disclosure of Discovery by APA and Manual... to ensure faithfulness and accuracy of said record of Claimant's Identity as relevant at issue within Claimant's pleadings on record; Defendant Agency is withholding maliciously; ALJ is obstructing in violation of Fundamental Rights at issue further Evincing RICO Conspiracy per necessary averments addressing of Claimant! Letter included attached: proofs of

included attached: proofs of identity record on previous dates years prior reentered into this administrative record (reference).

Whereas, ALJ disposition at issue included statement:

"APPEAL RIGHTS Your hearing decision is attached to this letter. If You Disagree with Your Hearing Decision Reopen Your Appeal You can ask to reopen your appeal. To do this, you must give a good reason for not attending the hearing. This must be done within 30 days of getting the decision. If you are not able to ask to reopen your appeal within 30 days, you must tell us why you could not file within that time. We may still be able to reopen your appeal if you had a good reason for asking late. You can ask to reopen your appeal. If you move or change your phone number, tell us right away. (AbandonmentDecision-NonAppearance. SHDN: 14736662).

Whereas, therefore, and post long train of client and claimant mistreatment, by malicious and prejudicial abuses of process betraying malice intent of defendant agency and venue agency for inference, Claimant justly and reasonably suspects Abuse of Process, in same RICO Conspiracy at issue in matter,, of organized crime record and identity tampering, by scheduling simultaneous hearing dates, by differing means and locations, to multiple parties (one being Third-party illegally misrepresenting to be myself fraudulently), while ACMS case-management system stores two differing casefile records, for two separate parties fraudulently accessible by two differing usernames and passwords, with the other than mine being fraudulently counterfeit unaccessible to myself intended to

replace my own accurate and official caserecord of case:104736662, record of case initiated by myself, (see my own accurate casefile record maintained, included retrieved database records corroborating from ACMS account, @ "JCTF vs. SACDHA" page @ URL:

<https://bboip.wordpress.com/jctf-vs-sacdha-etal/> , when: notice sent to myself was communicated to be notice of a "phone hearing" (even though I waived hearing by right opting to Demand electronic Alternate Procedure pursuant to APA and within manual of procedural rules as specified with deliberation upon AV records of Oral Statements), and also while, simultaneously, even though policies corresponded to myself communicated that all proceedings at DSS were to be by telecommunication means due to Covid, again conspiratorially exploited ulteriorly motived in the Looptank conspiracy it really only is of, recorded location of hearing to be: "Hearing Time: 08/02/2021 1000 AM Location: 444N 3rd St. Suite 100, Sacramento, CA 95811" (see attached: 210802ClmntsPstpnmntbyACMS ScrnshLog.pdf).

Wherefore, said decision of ALJ on 08042021 Gross Abuse of Discretion Obstructionist and Actually Unjustified and Unlawful.

Obstructionist and Actually Heinously Hostile, equivalently to communicating (which I am sure, by the act, you did amongst parties Ex Parte), "\_uck you" to Claimant's Fundamental Rights to Due Process, Life, Limb, Liberty and Property by Persecution Idly by an escapist nonaction action as misconduct you must reverse; especially since: 1. Claimant demanded discovery of identification on record, for purposes aforesaid, after abuses of process withholding, when Claimant avers upon proofs abuse of electronic means of surveillance while he has intended to procure birth certificate by mail from near Scranton, Pennsylvania, Joey Biden's hometown, upon this record administratively attached to my EBT account as proof of identity and with recent mail from same agency to fulfill requirements from an action of notice, but then Sacramento police officers colluded to steal my personal papers and effects approximately one year ago, while Veteran's services prejudiced denying human assistance at issue, and 2. agency is definitely colluding in satanic scheme against my person per averments previous... Therefore, it is Obligatory upon same ALJ, pursuant to all applicable law, to "reopen" SHDN: 104736662 immediately, with Stay of Proceedings until Full Delivery of Discovery Compelled by Claimant,

At Chevron gas station (65th. ## ADDITIONAL FACTS

Multiple previous incidents of assaults by same culprit with a pattern: Approximately a year ago,

Once, culprit planted as security guard obviously unemployable and while mimicking manners and tactics by exploiting such function of Malcolm X against targets, in collusion with management Chinese gang saturated, differentially, hypervigilantly and unreasonably accosted, behaving under influence of meth, about my backpack instant I entered Dollar Tree on Folsom Blvd., and in malice intent to instigate and provoke police involved incident with communicated threats of violence as harassment for only one shift (conspicuously by conspiratorial premeditation conjuct with stalking to monitor my private activities networked). Shortly thereafter, in similar context as Malcolm X method paraSecurity Guard for one shift at Punbjabi-Sikh owned 7/11 store on 65th St.: unprocoked same culprit harassed to instigate and provoke differentially and hostile communicating threats of violence and to physically remove myself from the "public" property since "public place of accomodation ostensibly open to the public" with ulterior motive: perpetrated maliciously predisposed in malice and belligerence while invading personal space, accusation frivolous about "standing where (he) (was) about to sweep" within the whole store which was clerk counter during transaction for a purchase while in process. I

verbally corrected him, completed transaction and left. Next morning: he woke me up hostile while from behind a fence at my current sleeping location nonpermanent shouting abuse calling myself fight words, "Punkass bitch!"; communicated threats to step on my head while I am sleeping and to never "disrespect him again" as gang member typical sociopathy saying, "you don't know who I am bitch... but I'll beat your ass motherfucker... you don't own the streets" implying meaning as a human trafficking pimp targeting attention with intent to Duress against my Fundamental Rights with Grandiose Delusions of territorial authority completely illegitimate! Incidents have happened according to pattern: 1. ... occur shortly after some incident at a working wifi location (such as frequently Starbucks) of issue with attention on my unpacking of my crucifix, as a Proto-Orthodox Judeo-Christian and Figure in Contemporary Matters... while figurehood and matters are guilefully denied simultaneously during its overbearing Harassment of Public Clamor by a guileful and vast occult network in said conspiracy by joindered acts incalculable which his ulteriorly motived (for collateral diversion) is actually incident to; 2. as posing oppositional in perpetration with hostile malice, he conspicuously, during each incident, flaunts militantly a truculent invitation

miltantly a trashy imitation silver, yet plastic and large, thick chain with a large cross pendant dangling with cheap imitation sequin borders as an instigating, paranoidal, hostile persecuting Heretical Cult Leader Pimp despicably.

## RULE OF LAW

{What is CONSPIRACY?

In criminal law. A combination or confederacy between two or more persons formed for the purpose of committing, by their joint efforts, some unlawful or criminal act, or some act which is innocent in itself, but becomes unlawful when done by the concerted action of the conspirators, or for the purpose of using criminal or unlawful means to the commission of an act not in itself unlawful.

Pettibone v. U. S., 148 U. S. 197, 13 Sup. Ct. 542, 37 L. Ed. 419; State v. Slutz, 106 La. 182, 30 South. 298; Wright v. U. S., 108 Fed. 805, 48 C. C. A. 37; U. S. v. Benson, 70 Fed. 591, 17 C. C. A. 293; Girdner v. Walker, 1 Heisk. (Tenn.) 186; Boutwell v. Marr, 71 Vt. 1, 42 Atl. 607, 43 L. It. A. 803, 76 Am. St. Rep. 746; U. S. v. Weber (C. C.) 114 Fed. 950; Comm.

v. Hunt, 4 Mete. (Mass.) Ill, 35 Am. Dec. 340; Erdman v. Mitchell, 207 Pa. 79, 56 Atl. 327, 63 L. R. A. 534, 99 Am. St. Rep. 753; Standard Oil Co. v. Doyle, US Ky. 602, 82 S. W. 271, 111 Am. St. Rep. 331. Conspiracy is a consultation or agreement between two or more persons, either falsely to accuse another of a crime punishable by law; or wrongfully to injure or prejudice a third person, or any body of men, in any manner; or to commit any offense punishable by law; or to do any act with intent to prevent the course of justice; or to effect a legal purpose with a corrupt intent, or by improper means. Hawk. P. C. c. 72?

(<https://thelawdictionary.org/conspiracy/>). Conspiracy I k: mspirQsiy I. A combination or confederacy between two or more persons formed for the purpose of committing, by their joint efforts, some unlawful or criminal act, or some act which is lawful in itself, but becomes unlawful when done by the concerted action of the conspirators, or for the purpose of using criminal or unlawful means to the commission of an act not in itself unlawful. A person is guilty of conspiracy with another person or persons to commit a crime if with the purpose of promoting or facilitating its commission he: (a) agrees with such other person or persons that they or one or more of them will engage in conduct which constitutes such crime or an

constitutes such crime or an attempt or solicitation to commit such crime; or (b) agrees to aid such other person or persons in the planning or commission of such crime or of an attempt or solicitation to commit such crime. Model Penal Code, ? 5.03. Crime of conspiracy is distinct from the crime contemplated by the conspiracy (target crime), *Com. vDyer*, 243 Mass. 472, 509, 138 N.E. 296, 314, cert. denied, 262 U.S. 751, 43 S.Ct. 700, 67 L.Ed. 1214. Some jurisdictions do not require an overt act as an element of the crime, e.g. *Com. v. Harris*, 232 Mass. 588, 122 N.E. 749. A conspiracy may be a continuing one; actors may drop out, and others drop in; the details of operation may change from time to time; the members need not know each other or the part played by others; a member need not know all the details of the plan or the operations; he must, however, know the purpose of the conspiracy and agree to become a party to a plan to effectuate that purpose. *Craig v. U. S.*, C.C. A. Cal. , 81 F.2d 816, 822. See also Combination in restraint of trade; Confederacy; Wharton Rule. Civil conspiracy. The essence of a ♦civil conspiracy♦ is a concert or combination to defraud or cause other injury to person or property, which results in damage to the person or property of plaintiff. Joinder. Joining or coupling together; uniting two or more constituents or elements in one; uniting with another person in some legal step-of proceeding; union; concurrence. The consent to an agreement or document by a party who has an interest in the subject matter of the agreement or document, but who is not himself an active party to the agreement or document. Collusive joinder. The joinder of a defendant, commonly a nonresident♦ Compulsory joinder. A person must be joined in an action if complete relief cannot be afforded the par ties without his joinder or if his interest is such that grave injustice will be done without him. Fed.R. Civ.P. 19(a)♦ Joinder in issue. In common law pleading, a formula by which one of the parties to a suit joins in or accepts an issue in fact tendered by the opposite party, Also called ♦similiter♦. Joinder in pleading. In common law pleading, ac cepting the issue. and mode of trial tendered, either by demurrer. error, or issue. in fact, by the opposite party. Joinder of claims. Under rules practice, a party as serting a claim to relief as an original claim. counter claim, cross claim or third party claim may join as many claims as he has against an opposing party whether they are legal or equitable.

Fed.R.Civ.P. 18(a); New York C.P.L.R. ? 601. Joinder of defendants. Two or more defendants may be charged in the same indictment or information if they are alleged to have participated in the same act or transaction or in the same series of acts or transactions constituting an offense or offenses. Such defendants may be charged in one or more counts together or separately and all of the defendants need not be charged in each count. Fed.R.Crim.Proc.

8(b).. Joinder of offenses. Two or more offenses may be charged in the same indictment or information in a separate count for each offense if the offenses charged, whether felonies or misdemeanors or both, are of the same or similar character or are based on the same act or transaction or on two or more acts or transactions connected together or constituting parts of a common scheme or plan.

Fed.R.Crim.Proc. 8(a). Joinder of parties. The act of uniting as parties to an action all persons who have the same rights or against whom rights are claimed, as either co-plaintiffs or co-defendants. Fed.R.Civil P. 19 and 20. Necessary and indispensable parties. Prior to 1966 the federal. and most state. courts used classifications to determine if a person should or must be joined in an action. The label **indispensable** was used if the connection to the action of the

absentee party was so close that the action should be dismissed unless the party was joined. The label ♦necessary♦ was used if the party was one who ought to be joined if this was possible. These classifications proved unsatisfactory aqd in 1966 Fed. Rule of Civil Proc. 19 was replaced with a new Rule 19.

♦Joinder of Persons needed for Just Adju dication.♦ Rule 19(a) defines the class of persons who are needed for just adjudication. If an absen tee meets this test. and is subject to process. the court must require that he be joined. If the absen tee is needed for just adjudication and is not sub ject to process, Rule 19(b) states the factors to be considered in deciding whether to proceed in his absence or to dismiss the action. Proper parties. If a party has some relation to the action, but it is not so close as to make him a person needed for just adjudication within Rule of Civil Proc. 19(a), he is a ♦proper♦ party, and the plaintiff has an option whether to join him if the tests of Rule 20 are met. Joinder of remedies. Whenever a claim is one there tofore cognizable only after another claim has been prosecuted to a conclusion, the two claims may be joined in a single action; but the court will grant relief in that action only in accordance with the rela tive substantive rights of the parties. In

particular. a plaintiff may state a claim for money and a claim to have set aside a conveyance fraudulent as to him, without first having obtained a judgment establishing the claim for money.

Fed.R.Civ.P. 18(b)♦

L evying war. In criminal law, the assembling of a body of men for the purpose of effecting by force a treasonable object; and all who perform any part, how ever minute, or however remote from the scene of action, and who are leagued in the general conspiracy, are considered as engaged in levying war, within the meaning of the constitution. Art. III, ? 3, U.S. Constitution. See also

Insurrection. The words include forcible opposition, as the result of a combination of individuals, to the execution of any public law of the United States; and to constitute treason within the Federal Constitution, there must be a combination of individuals united for the common purpose of forcibly preventing the execution of some public law and the actual or threatened use of force by the combination to prevent its execution. Repeatedly, officers have communicated, at each illegal stop, due to officer's awareness of legal imprudence during contingencies of these matters: It is policy to only arrest for non-frivolous priorities within jurisdiction, in consideration of time and resources of agencies and courts and in lieu of early date respecting parties' right of liberty to not be unnecessarily restrained within a jurisdiction not residence over such pettiness. But Looptank Effect Syndrome is actually the epidemic that this delusion is result of with its bizarre behavior and societal complacency with as specifically cooperation with Xi Jinping of China a core contagion as plot on one person specifically and this is actually the truth) hysterical to clamor about one person, which is a Phenomena that has occurred in history yet never on same scale, and with its mental state aberrations pervading, it includes that such obvious is always guilefully denied to this target... I will consider such act to be Malicious colluding in same Conspiracy... And now go back to the top and read over again and again yourself to comprehend and act in within the law and justice

Your appeal was about the following benefit(s): CalFresh A notice of hearing was sent to the last address given to State Hearings. The notice listed the date and time of the hearing. It was not returned in the mail. You did not ask for a postponement before the scheduled hearing time. You or your authorized representative did not attend the hearing.

not attend the scheduled hearing. LAW State Hearing regulations are published in a Manual of Policies and Procedures (Man. Pol. & Proc.) and California Code of Regulations (Cal. Code Regs.). A hearing request will be dismissed if it is abandoned. An appeal is abandoned if you do not attend the hearing, or send a representative. You have the right to ask to reopen the appeal. You must show there is a good reason for not attending the hearing. The request to reopen must be made within 30 days of the date you received the dismissal decision. (Man. The hearing request is dismissed. You may ask to reopen the appeal. To do this, you must give a good reason for not attending the hearing. This must be done within 30 days of getting the decision. If you are not able to ask to reopen your appeal within 30 days, you must tell us why you could not file within that time. We can still reopen your appeal if you had a good reason for asking late.♦ Opinion of ALJ betrayed prima facie confirmation of my complaint of RICO crimes of Conspiracy by this colluding act! INTRODUCTION to 201103 AV Special  
Report and Address Correspondence

Report and Address Correspondence to SACPD Internal Affairs and Chief and Infiltrant Mooreman:

Production of full Special Report has been delayed by extraordinary harassments subjects of multiple other ALCS1I casematters. I intend completion communicating further Intelligence on mentioned insight: Occultic Phenomena (Doppleganger and Black Magic Remote Sex connected to demoniac mindcontrolled operation) and Avon Lake wiccan cult (and crypto-satanic of false-Christian imposters, and of Northeast Ohio originating ♦Gothic Cult♦ faction and terrorist group (of the Looptank Insurrection Group Network) ritualing by Rocky Horror Picture Show as actual vampires per secreted, esoteric agenda). This introduction addresses: I was sexually harassed again by the behavior of its practice (actually common amongst the satanic cult ♦Fraternal Order of Police♦) being flaunted spitefully, and with offensive intent toward a known opposer, during an illegal stop by alleged officer who betrayed he never attended Academy in a uniform.

It will serve to support a restraining order!

[To Judge: approx. 7 years ago, I sat in open court in this county (for citation for sitting in a public park actually) when a judge opened court meeting declaring,

This is a ♦Rush Gospel♦ free courtroom. This was during a very long period of ♦Looptanking Eschatalogical♦ dynamics of the continuing Mass Psychogenic Hysterical Epidemic♦ of Looptank Effect Syndrome with an outbreak of the practice mentioned. It has been, and is, a national security concern as a means of warfare by sorcery. During this period, the schizophrenic term referred to it by those of the vast mass on the periods mibdcontrol program. I have walked passed Loaves and Fishes witnessing an officer of the Sacramento Police Dept on a platform briefing a mass audience of clients, at Friendship Park, on ♦safe, responsible ♦Rush Gospeling♦ against the law and obviously Effected. Therefore, I am certainly aware their is priviness to intelligence of this Abhorrent Reality amongst occultic network members. But, as Jacob the Centrally Targeted Figure, the Judeo-Christian Figure, such is guilefully denied to myself as a KNOWN Nonconformer and OPPONENT! This reality MUST be acknowledged and addressed for the EVIL that it is♦ I was sexually harassed by the Asolescent, Rebellious Protest flaunted before this FIGURE of JUSTICE and the fop can go to hell with the pubescent ridicule I am witnessing at this monent by the Harassments of the Looptank Manifest Phenomena♦s Clamor and riot♦ and both Mooreman and chief

All acts herein certainly proven and by conspicuous timing to be joindered as in collusion conjunctively i cooperation together in same conspiracy... (DO REFERENCE BBACKGROUND OF INFORMATIONS!].

ANOTHER JOINDERED ACT INCIDENT: Approx. 9:30 PM, Little n nigger of gang committed another joindered act conspicuously timed in another escalated dynamic fluctuation with: 1. another deprival of service at Public Accomodation Place, Arco on 65th St., 2. Communicated threats, nprovoked to kill me in my sleep, "(he) is in this hood," consistant with nigger gang of Obama's from Chicago police chief Hahn is colluding with in same Looptank Conspiracy; 3. Day prior evinced to be Retaliatory Maliciously hyperreactionary to casework activities of that day 0i292021 at issue when, during fhis unprovoked fight words and communicated threats, which were repeated 08302021, to kill me in my sleep with very arogant, self-entitled sociopathic attitude, also communicated intention that he was "going to tell (my) mama and dada" accusing me of "talking shit" in his store like an immature Pub! I responded only, on date of 8292021, "my birth certificate had James E. Horton on it 51 years years ago young man" leaving after a purchase. It was a customer complaint for psychotically differential treatment. He is added to a large lawsuit on joindered matters of same issue! He ran out of the store in animos and committed verbal acts aforesaid. They betrayed his personal insecurity issues and involvement in Looptank Conspiracy! I DEMAND THE JUSTICE OF LAW ENFORCEMENT DETERRENCE BY HIS ARREST ON CHARGES OF ALL

Evinced prima-facie by their audibly heard participation in the Public Demonstration Under Treasonous Color of State Action of the Looptank Insurrection Manifest Phenomena, and by ALL, to be annexed to governmentally in Anti-American and Anti-Christian Treason), as war acts of the Looptank Conspiracy, by multiple

It's been hijacked by Satanic Organized Criminals. Now, earthlings [hypothetically, assuming all these humanoids are, which seems doubtful with recent behavior fluctuations and anomalies per Looptank Effect Syndrome and other unnatural and artificial factors throughout society worldwide, when I am certain space aliens do not exist, but demon possession does; Daniel recorded, of his vision, that this is all beyond understanding and made him ill for days] have entered a period, without previous resolution, post the G20 Global Summit held in Pittsburgh (near my town of birth) at the

Pittsburgh (near my town of birth) at the suggestion of Obama (an associate of relatives I have never condoned and have disowned) in secret treason with Russia and China. An illegal, secret contract (defying law relevant to treaties) was formed (but illegal contracts are null and void). They sat at a table and lied to each other as Daniel prophesied. They are MAD! National Security Council is NOT legitimate government or authority and must be addressed as internationally criminal. Check this out Feds. STOP colluding!

#### \* This Was My UTR Playlist

By anomalous word-wrap, service has conspicuously obscured following description text:

SEE "This Was My UTR": This was research and Workproduct preparing for Redress of Grievances against Government Misconduct involving FISA and other UnConstitutional violations stretching to abuse Post-911 policies. The documents are "Personal Papers and Effects." The Misconduct has caused severe damages. ¶ For personal filemanagement, I filenamed the casefile with an acronym for a code-name type of appellation for an initiative category. Spontaneously and impromptu, I quickly derived and wrote "UTR" on its file folder. This also functioned well as a directory name for my netbook's file system. Actually, I call the case something like "JCTF vs. Bush et al." I have served in the Air Force during the Bush administration. Then, I learned of these genealogical relatives' roles in Satanic, Globalist, UnAmerican and Treasonous Conspiracies for certain. ¶ I've been aware: Malicious UCMJ Infractions and relatives

connected to federal agencies became obsessed (overzealous), per surveillance Misconduct, with Retaliation against this they schizophrenically dubbed, "The UTR." Amongst intrusions, they obsessed to "Look for the UTR" and have illegally hacked it incalculable number of times. (Hydzik, in motivating conspiracy to commit... is obviously one major culprit involved because I "was doing something" adult in my life.)¶ This was motivation of Police Misconduct, including a Pretextual False Arrest, in Yolo County, CA. This County, I have discovered, was a stronghold of my enemies. This was unbeknownst to me when I walked into West Sacramento, on my direction toward objectives, in 2013. This began more joindered cases with intent, amongst others, to disrupt by their criminal harassments. Since, per discovery, I have inferred the suspicion that this county is such stronghold because it may be the residence of Arnold Shwarzenegger. He has been a connectivity of close, biological relatives of mine through occultic organized crime. This is connectivity with a secret faction obsessed with Ayn Rand Objectivism for treasonous and AntiChristian ideology. Despicably, recording minstrel troupe, "Rush," (through churh of satan connectivities) is hierarchically prominent in said faction as philosophers by the occupational front. Per Looptank Parol Testimony, member Neil Peart, by same front inappropriately glorified mis-valued, usurps himself as and is considered a global, demonic, "overlord" originally from Toronto (who then migrated to England, trained with Occultic affiliation of "British Invasion" faction, Bill Bruford, to correct trap-set percussion technique he formerly had invented as "The Praying Mantis" while gigging with local, Toronto amatuers named "Mumbling Something" inspired by interest in Hannah Barbara cartoons. Ginger Baker, Kieth

Hannah Barbara cartoons, Ginger Baker, Kieth Moon without music instruction on his alleged instrument(s) as a teenage self-styled-satanic, numb-skulled and nimrodic habitual doper. He stupidly became overly enthused with Ayn Rand literature and its congruencies with skinny black book content. False-credentialled (typically amongst...),

he received favors in pact with occultic assignments involving clairvoyance and divination I, myself, am central target of, by volitional zeal and natural connectivities. By members of my disowned family, flattered by a history associated with Rock and Roll with Elvis affiliation, he was assigned, in conspiracy, to front, and per subversive motives, with the Atlantic Record contractees aforesaid.

It has been corroborated convincingly to myself by Looptank Parol Testimony: these three of said troupe, during planning of assignment, co-labored with my biological father, Krinkly Moron, as bricklayers for a sub-contractor most likely as college job heir to a Horton family Trust of relations residing in Middletown, NY. They are an occultic genealogy devil-worshipping and central conspiracy by divination is per intent since my birth to practice first-born son sacrifice to Molech as Skull and Bones also practices connected to same genealogy amongst multi-factional connectivities and affiliations. I have nondelusionally witnessed the creep, Neil Peart, also stalking myself conspicuously. One lication was Woodland, CA which I was illegally restrained to by Violations of Speedy Trial Rights. I am still laboring to conclude matter (amongst my multitude of matters Harassed with) as nonresident to CA refusing CA residency Against Extreme resistance of Undue obstruction and Warring Misconduct and through organized crime network!

Desist harassing, and by and through Interpol, or any other (and if it may be subordinate to the U.N. and its National Security Council, which does not legitimately or legally rule within my borders with its own National Sovereignty since Independence of 1776 (and I do type, "Go Spirit of '76" consistent with my heritage and tradition having experienced bicentennial during my childhood in Sewickley, PA having 1970 for the year of my notable birth) – it has been Accumulative and Harassing causing Liable Damages for Decades – and direct attention toward ACTUAL culprits in lieu of Probable Cause so Ipso-Facto with due severity without neglect any longer.
